PATRIOT PAR 3 CHALLENGE

Welcome Golfers & Friends of the Patriot Par 3 Challenge:

First and foremost, we want to sincerely thank you for your generous and continued support of the Patriot Par 3 Challenge. We believe that this tournament is one of the best and definitely the most unique tournaments in Central Pennsylvania, and we hope you feel the same.

Each year we try to assist new agencies serving our veteran families in York County. Within the next two years..... the Tunnel to Towers Foundation is assessing an 8.5-acre tract of waterfront property on the Susquehanna River, where they intend to construct a Veterans Village encompassing a 64-unit apartment complex and comprehensive supportive service center, complemented by 20 Comfort Homes.

And most importantly, we will continue to support the agencies that have received proceeds from the Patriot Par 3 Challenge in previous years. They are the ones who support the thousands of veterans and their families in York and York County.

Thank you very much – your support of this event is what makes this all possible. We couldn't do this without you!!
